

Anti-GTF2H4 (center region) polyclonal antibody (CABT-BL1702)

This product is for research use only and is not intended for diagnostic use.

PRODUCT INFORMATION

| | |
|------------------------------|---------------------------------------------------------------------------------------|
| Immunogen | KLH conjugated synthetic peptide selected from the center region of Human GTF2H4. |
| Isotype | IgG |
| Source/Host | Rabbit |
| Species Reactivity | Human |
| Purification | Immunogen affinity purified |
| Conjugate | Unconjugated |
| Applications | WB, ELISA |
| Cellular Localization | Nucleus. |
| Format | Liquid |
| Buffer | PBS |
| Preservative | 0.09% Sodium Azide |
| Storage | Shipped at 4°C. Upon delivery aliquot and store at -20°C. Avoid freeze / thaw cycles. |

BACKGROUND

| | |
|---------------------|-------------------------------------------------------------------------------------------------------|
| Introduction | General transcription factor IIH subunit 4 is a protein that in humans is encoded by the GTF2H4 gene. |
|---------------------|-------------------------------------------------------------------------------------------------------|
