

Rabbit Anti-Human SUZ12 monoclonal antibody, clone L.7.0 (CABT-L1618)

This product is for research use only and is not intended for diagnostic use.

PRODUCT INFORMATION

| | |
|---------------------------|----------------------------------------------------------------------------|
| Target | SUZ12 |
| Immunogen | Synthetic peptide corresponding to the sequence of the human SUZ12 protein |
| Isotype | IgG |
| Source/Host | Rabbit |
| Species Reactivity | Horse, Human, Mouse, Non-human primate, Pig, Rat |
| Clone | L.7.0 |
| Purification | Affinity Purified |
| Conjugate | Unconjugated |
| Applications | ChIP, IP, IF, WB |
| Format | Liquid |
| Buffer | 0.01M HEPES, pH 7.5, with 0.15M NaCl, 100µg/ml BSA, 50% glycerol |
| Preservative | See individual product datasheet |
| Storage | -20°C |

BACKGROUND

| | |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Introduction | This zinc finger gene has been identified at the breakpoints of a recurrent chromosomal translocation reported in endometrial stromal sarcoma. Recombination of these breakpoints |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

results in the fusion of this gene and JAZF1. The protein encoded by this gene contains a zinc finger domain in the C terminus of the coding region.

| | |
|-----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Keywords | SUZ12;SUZ12 polycomb repressive complex 2 subunit;CHET9;JJAZ1;polycomb protein SUZ12;chET 9 protein;joined to JAZF1 protein;suppressor of zeste 12 homolog;suppressor of zeste 12 protein homolog;chromatin precipitated E2F target 9 protein |
|-----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
