

## Rabbit Anti-Human C1ORF61 (N-terminal region) Polyclonal Antibody (CABT-L348R)

This product is for research use only and is not intended for diagnostic use.

## PRODUCT INFORMATION

Isotype         IgG           Source/Host         Rabbit           Species Reactivity         Human           Purification         Affinity Purified           Conjugate         Unconjugated           Applications         WB           Format         Liquid           Concentration         Lot specific           Size         100 μl           Buffer         1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.           Preservative         0.09% Sodium Azide           Storage         For short term use, store at 2-8°C up to 1 week. For long term storage, store at -20°C in small aliquots to prevent freeze-thaw cycles.           Ship         Wet ice	Immunogen	A synthetic peptide directed towards the N-terminal region of Human CROC4
Species Reactivity       Human         Purification       Affinity Purified         Conjugate       Unconjugated         Applications       WB         Format       Liquid         Concentration       Lot specific         Size       100 μl         Buffer       1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.         Preservative       0.09% Sodium Azide         Storage       For short term use, store at 2-8°C up to 1 week. For long term storage, store at -20°C in small aliquots to prevent freeze-thaw cycles.	Isotype	IgG
Purification       Affinity Purified         Conjugate       Unconjugated         Applications       WB         Format       Liquid         Concentration       Lot specific         Size       100 μl         Buffer       1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.         Preservative       0.09% Sodium Azide         Storage       For short term use, store at 2-8°C up to 1 week. For long term storage, store at -20°C in small aliquots to prevent freeze-thaw cycles.	Source/Host	Rabbit
Conjugate Unconjugated  Applications WB  Format Liquid Concentration Lot specific  Size 100 µl  Buffer 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.  Preservative 0.09% Sodium Azide  Storage For short term use, store at 2-8°C up to 1 week. For long term storage, store at -20°C in small aliquots to prevent freeze-thaw cycles. Introduction	C1orf61 cDNA / gene is a gene with protein product which located on 1q22. 28 organisms have orthologs with human gene C1orf61. It is expressed throughout the brain in the thalamus, subthalamic nucleus, corpus callosum, hippocampus, substantia nigra, caudate nucleus, and amygdala.
Keywords	CROC4;C1ORF61;protein CROC-4;MIR9-1HG

## **GENE INFORMATION**

Gene Name	MIR9-1HG
Entrez Gene ID	<u>10485</u>
UniProt ID	Q13536
