

# Human Anti-human CD63 monoclonal antibody, clone C14 (CABT-L6155)

This product is for research use only and is not intended for diagnostic use.

## PRODUCT INFORMATION

|                           |                                                                                                                                                                                                              |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Overview</b>   | Human Anti-human CD63 monoclonal antibody for ELISA                                                                                                                                                          |
| <b>Target</b>             | Human CD63                                                                                                                                                                                                   |
| <b>Immunogen</b>          | Recombinant Protein                                                                                                                                                                                          |
| <b>Isotype</b>            | IgG                                                                                                                                                                                                          |
| <b>Source/Host</b>        | Human                                                                                                                                                                                                        |
| <b>Species Reactivity</b> | Human                                                                                                                                                                                                        |
| <b>Clone</b>              | C14                                                                                                                                                                                                          |
| <b>Purification</b>       | Protein A purified. Purity $\geq 95\%$ as determined by SDS-PAGE                                                                                                                                             |
| <b>Conjugate</b>          | Unconjugated                                                                                                                                                                                                 |
| <b>Applications</b>       | ELISA<br>Each laboratory should determine an optimum working titer for use in its particular application. Other applications have not been tested but use in such assays should not necessarily be excluded. |
| <b>Format</b>             | Liquid, Purified                                                                                                                                                                                             |
| <b>Concentration</b>      | Lot specific                                                                                                                                                                                                 |
| <b>Size</b>               | 1 mg                                                                                                                                                                                                         |
| <b>Buffer</b>             | PBS or Tris-Gly                                                                                                                                                                                              |

|                |                                                                                 |
|----------------|---------------------------------------------------------------------------------|
| <b>Storage</b> | Shipped at 4°C. Store at -20 °C for one year. Avoid repeated freeze/thaw cycles |
| <b>Ship</b>    | Wet ice                                                                         |
