

Native Murine Plasminogen (DAG-WT3310)

This product is for research use only and is not intended for diagnostic use.

PRODUCT INFORMATION

| | |
|-------------------------|------------------------------------|
| Species | Murine |
| Purity | > 90% as determined by SDS-PAGE |
| Conjugate | N/A |
| Applications | Immunoassays |
| Molecular Weight | 90 kDa |
| Format | Liquid |
| Size | 1 mg |
| Buffer | 50 mM Tris-HCl, 0.1 M NaCl, pH 7.4 |
| Storage | Store at -80°C |

BACKGROUND

| | |
|-----------------|---------------------------------|
| Keywords | PLG; Plasminogen; Plasmin; HAE4 |
