

## Anti-Swine influenza virus H1N1 Neuraminidase Polyclonal antibody (DPAB-DC4801)

This product is for research use only and is not intended for diagnostic use.

## PRODUCT INFORMATION

| Specificity        | This antibody is a cognate pair with product DPAB-DC4727.  |
|--------------------|--|
| Target             | Swine influenza virus H1N1 Neuraminidase   |
| Immunogen          | A synthetic peptide corresponding to Swine H1N1 Neuraminidase.   |
| Isotype            | IgG  |
| Source/Host        | Rabbit   |
| Species Reactivity | Swine influenza virus  |
| Conjugate          | Unconjugated   |
| Applications       | ELISA,   |
| Format             | Liquid   |
| Size               | 100 μg   |
| Buffer             | In PBS (0.02% sodium azide)  |
| Preservative       | 0.02% Sodium Azide   |
| Storage            | Store at 4°C for three months. For long term storage store at -20°C. Aliquot to avoid repeated freezing and thawing. |
|                    |  |
