

19 Nortestosterone 17 [KLH] (DAGA-172K)

This product is for research use only and is not intended for diagnostic use.

PRODUCT INFORMATION

Antigen Description	Nortestosterone, also known as nandrolone, belongs to the group of anabolic androgenic steroids. In some cases 19-nortestosterone is a naturally occurring compound, especially in male pigs, and pregnant cows. The EU banned the use of growth promoters in meat production since 1986.
Nature	Synthetic
Expression System	N/A
Conjugate	KLH
Applications	Immunogen
Procedure	None
Format	Liquid
Concentration	Batch dependent - please inquire should you have specific requirements.
Size	1mg
Buffer	0.01M pH7.4 PBS
Preservative	None
Storage	Shipped at 4°C. Upon delivery aliquot and store at -20°C. Avoid freeze / thaw cycles.
